WHEREAS, on the afternoon of March 16, 2016, the BAC and TWG conducted a Post-Qualification Investigation specifically ocular inspection of the bidder's one declared single similar project which is the Tourism Building at the Kalinga Provincial Capitol and the Bidder is compliant as to finding;

WHEREAS, on March 17, 2016, the BAC and TWG continued the Post Qualification Process, which includes careful examination, validation and verification of all the eligibility, technical and financial requirements submitted by the Lowest Calculated Bidder, and noted that in the duly signed Bid Form of the Bidder under Letter D, **a discount was offered at 1%** but no methodology of application was discussed;

WHEREAS, Section 32.2.4 of R.A. 9184 and its revised IRR, including its associated issuances, such as the PBDs, recognizes the consideration of bid modifications in the computation of the bid price which may be in the form of discounts offered either as part of the financial document or through the Bid Form;

WHEREAS, ITB Clause 28.4 of the PBDs for the Procurement of Infrastructure Projects provides that the determination of the Lowest Calculated Bid requires the evaluation and correction for computational errors, discounts and other modifications;
